# **Indiana Injury Prevention Advisory Council**

## ***Member Roles, Responsibilities, and Commitments***

***Adapted from the IPAC Terms of Reference Adopted September 2014***

### **Purpose**

Recognizing that, because of the incomparable cost and the disabling and disrupting consequences, injury and violence remain major public health problems in Indiana, the Indiana Injury Prevention Advisory Council is committed to strengthening and sustaining effective injury and violence prevention and control measures that reflect the significance of the problem.

**Our Vision** is: Working together to create a safe and injury free Indiana.

**Our Mission** is: To reduce the number and severity of preventable injuries in Indiana through leadership and advocacy.

### **Responsibilities**

The Indiana IPAC will address intentional and unintentional injuries across the lifespan. The Indiana IPAC will address injuries without regard to race, color, creed, national origin, sex, age or physical or mental disability. Indiana IPAC will strive to decrease the injury health disparities that exist within the State.

- Provide the Indiana IPAC with representation from their agency or organization.
- Promote the Indiana IPAC to injury stakeholders and colleagues as appropriate.
- Advocate for the Indiana IPAC, its vision, mission and its goals.
- Actively participate in meetings and events sponsored by the Indiana IPAC.
- Actively participate on committees based on member availability and interest.

# **Indiana Injury Prevention Advisory Council**

## *Member Roles, Responsibilities, and Commitments*

*Adapted from the IPAC Terms of Reference Adopted September 2014*

### **Commitments & Goals**

- Attend quarterly meetings (8 hours per year) and participate in appropriate subcommittees (up to 10 additional hours per year)
- Assess needs and increase availability and quality of injury data in Indiana including improving external cause of injury coding (e-codes).
- Build infrastructure and sustainability for injury prevention in Indiana.
- Promote injury prevention as a public health priority in Indiana.
- Promote evidence-based injury prevention programs throughout Indiana.
- Increase statewide collaboration around injury prevention in Indiana.
- Build the capacity of communities, especially underserved populations, to develop and implement effective injury prevention programs (and to emphasize diversity)
- Build community capacity to reduce and prevent injuries to high-risk groups and effectively address injury priorities
- Strengthen advocacy for public policies that impact injury prevention
- Draft, implement, evaluate and revise the Injury Prevention Strategic Plan in conjunction with the Indiana State Trauma Care Committee

## Webinar

### Innovative Approaches to Injury & Violence Prevention: 2015 Award Finalists

Wednesday, June 24, 2015

1:00 – 2:00 PM EST

The Safe States Alliance Innovative Initiatives Program & Annual Award is designed to provide members of the Safe States Alliance with opportunities to celebrate and showcase the successes of their injury and violence prevention programs. An "innovative initiative" is defined as a unique and creative program or activity that has the potential to substantially decrease injuries and violence in a state, city, or community. Featuring finalists and winner for the 2015 Innovative Initiative of the Year Award, this webinar will showcase unique and effective programs that organizations across the country have developed to advance their injury and violence prevention efforts.

Featured speakers include:

- Debbie Marvidikis, "The Hope Squad of Carbon and Emery Counties, UT" (Winner);
- Rachel Heitmann, "Hospital Safe Sleep Policy project, TN" (Finalist);
- Dannielle Gilyan, "Eskenazi Health Prescription for Hope, IN" (Finalist); and
- Lisa McCarthy-Licorish, "A Statewide Safe Sleep Survey of Massachusetts Birthing Hospitals, MA" (Finalist).

*The webinar will be moderated by Sharon Gilmartin, MPH, Director of Membership and Communications, Safe States Alliance.*
